

HOMEMADE JIK/BLEACH

INGREDIENTS

Chlorine 1 litre

Magadi ½ kg

Caustic 500 ml

STEP 1

Mix all the ingredients with
20 litres of water

STEP 2

Stir the mixture until you get a milky chalky mixture and let it sit for 5-6hrs

STEP 3

After 5hrs stir again the mixture.

In day 2 make sure you stir the mixture in the morning and evening

STEP 4

Do this for 3 days then you'll get a very clear liquid on the 3rd day.

Sieve using a cloth to remove any residue

THINGS TO NOTE

MIX THE MIXTURE ON AN OPEN SPACE
AND MAKE SURE YOU WEAR PROTECTIVE
GEARS.

USE DUST MASK TO AVOID INHALING
FUMES
